ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1.

- (a) **Creation of The Lien and Personal Obligation for Assessments.** The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges; (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided; and (3) direct assessments as hereinafter defined. The annual, special and direct assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Property against which each such assessment is made and when filed of record in the Office of the Clerk of Superior Court of Forsyth County, North Carolina, shall be a lien upon the land to all who acquire an interest therein. Each such assessment together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Property at the time when the assessment fell due and any heir or devise shall be deemed to have consented to make such payments. The personal obligation for the delinquent assessments shall not pass to his successors in title unless expressly assumed by them. The Declarant shall be exempt from any annual, special, or direct assessments for all vacant lots it owns.

- (b) **Direct Assessments.** Each Owner shall have the obligation to maintain and keep in good repair and replace the improvements on his Lot, including the roof, gutters, windows, doors, shutters and exterior walls of the dwelling unit thereon, and any other exterior improvement such as garden walls, carports or garages and landscaping, including the routine cutting of grass, trimming of shrubs, and other maintenance and replacement to present a good exterior appearance. If any Owner shall fail to properly comply with the provisions of this subsection, the Association may make demand upon such Owner to comply. In the event such Owner shall, after written notice has been given, fail to take necessary steps to comply within 30 days of receipt of notice, the Association may proceed to remedy such Owner's default, but does not have the obligation to do so. Any expenses incurred by the Association for such purposes, including labor, materials and professional fees shall become a lien upon the Lot of such Owner and the personal obligation of the Owner, collectible as other assessments as provided for herein. Amounts incurred in the foregoing manner shall be deemed "Direct Assessments" and shall be in addition to any other assessments herein provided for and shall be due immediately upon demand. Interest shall accrue at the rate of ten percent (10%) per annum on any unpaid direct assessment not paid within the (10) days from date of demand for payment.

Section 2. Purpose of Assessment. The assessments levied by the Association shall be used exclusively to promote the enjoyment of the residents in the Properties and in particular for the acquisition, improvement and maintenance of property, services and facilities devoted to this purpose for the maintenance, use and enjoyment of the Common Area, including but not limited to, the cost of repairs, replacements and additions, the cost of labor, equipment, materials, security, management and supervision, the payment of taxes, if any, assessed against the Common Area, the procurement and maintenance of insurance related to the Common Area, its facilities and use in accordance with the Bylaws, the employment of attorneys to represent the Association when necessary, and such other common needs as may arise.

Section 3. Maximum Annual Assessments. Until January 1 the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be \$465.00 Per Lot.

From January 1 of the calendar year immediately following the first conveyance of a Lot to an Owner:

- (a) The maximum annual assessment increase shall be established by the Board of Directors without approval by the membership by an amount not to exceed the greater of ten percent (10%) of the maximum annual assessments of the previous year, or the percentage increase over the previous year as shown on the U. S. Bureau of Labor Statistics Consumer Price Index for Urban Wage Earners or, if such index shall cease to be published, by the index most nearly comparable thereto.
- (b) The maximum annual assessment may be increased without limit by a vote of two-thirds (2/3) of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose.

At any time the Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

- (c) In establishing the annual assessments for an assessment year the Board of Directors shall consider all current costs and expenses of the Association, accrued debts, and reserves for future needs, but it may not fix the annual assessment in an amount in excess of the sum derived by application of the increase allowed in Section 3(a) hereof without the consent of Members required by Section 3(b) hereof.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy special assessments for the purpose of defraying, in whole or in part, the cost of construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto. In the event that such assessments for a particular calendar year exceed, in the aggregate, \$10,000.00, then, and in such event, there shall be required the assent of 60% of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots subject to assessment and may be collected on a monthly, quarterly or annual basis in advance or as the Board of Directors may direct, except as herein provided.

Section 6. Notice and Quorum for any Action Authorized under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 or 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all votes of each class of membership entitled to vote shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more that sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment: Due Dates. The annual assessments provided for herein shall be collected on a monthly, quarterly or annual basis as determined by the Board of Directors and shall commence the day of the conveyance of the first Lot. The first annual assessment shall be adjusted according to the number of days remaining in the calendar year. At least thirty (30) days in advance of each annual assessment period, the Board of Directors shall fix the amount of the annual assessment against each Lot, and if there is a change from the prior year, send written notice of each assessment to every Owner subject thereto. Failure to timely forward or failure of receipt shall not invalidated or reduce the assessment fixed. The Board of Directors may at any time during the calendar year increase the annual assessments, but not in excess of the ten percent (10%) maximum annual increase limit, if they determine in their discretion that funds are not adequate for current or anticipated expenses. The due dates shall be established by the Board of Directors.

Section 8. Effects of Nonpayment of Assessments: Remedies of the Association.

Any assessments not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of ten percent (10%) per annum, and the Board of Directors may impose a late payment fee. The Association may bring an action at law against the Owners personally obligated to pay the same and/or foreclose the lien against the Property, and interest, costs, fees and reasonable attorney's fees for such action or foreclosure shall be added to the amount of such assessment. No Owner may waive nor otherwise escape the liability for any of the assessments provided for herein by inability to use, or non-use of the Common Area or abandonment of his Lot. Election to sue a defaulting Owner shall not bar subsequent filing of lien and foreclosure. The Association may pursue either or both remedies without bar to the other remedies. A prospective purchaser or lender may request a written certificate from the Association as to the status of assessments on any Lot they or it is concerned with and as to such purchaser, lender or subsequent purchaser from them, such statement of the Association shall be binding on the Association as of the date of issuance. The Association may charge a fee for such certificate if it advises the requesting party of the charge before or at the time of delivery of the certificate.

Section 9. Subordination of the Lien to Mortgagees. The liens provided for herein shall be subordinate to the lien of any mortgage, mortgages, deed of trust or deeds of trust filed prior to a lien for assessment. Sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a foreclosure thereof or any proceeding, conveyance or assignment in lieu of foreclosure thereof, shall extinguish the lien of such assessment as to the payment thereof which became due prior to such sale or transfer, but the personal obligation of the Owner of the Property when the assessment fell due shall survive. No such sale or transfer shall relieve such Lot from liability for any assessments which thereafter become due or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any mortgage, mortgages, deed of trust or deeds of trust filed prior to a lien for assessments being filed.

Section 1. Utilities Easements. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat, and the Properties shall be further subject to such additional easements for installation and maintenance of utilities and drainage facilities as are reasonably necessary for the construction of dwelling units by Declarant and purchasers of undeveloped Lots from Declarant. Within these easements no structure, planting or other material shall be placed or permitted to remain which may interfere with the utilities or which may change the direction of flow or drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels. Easements as required to correct drainage and utility installation are reserved by the Declarant over the Common Area and for a distance of ten (10) feet along and with all Lot lines until development is complete and functional. If corrections are necessary over a Lot that has been conveyed and improved, the party performing the correction shall repair and replace any damage to the landscaping and improvements in a reasonable manner.

Section 2. Easements Reserved to Declarant. Declarant reserves and retains nonexclusive easements for ingress, egress and regress and for the installation of all types of utilities and drainage over the Common Area and Lots necessary and desirable in the development of the subdivision to completion and for access over all roads until the Property is totally developed with dwellings on each Lot.

Section 3. Septic Repair Areas. Septic repair areas may be located within the Common Area subject to approval by the Board of Directors.

ARTICLE VIII

GENERAL PROVISIONS

Section 1. Enforcement. The Association, through its Board of Directors, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Amendment by Members. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is

recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended by an instrument signed by not less than sixty-six and two-thirds percent (66-2/3%) of the Lot Owners, provided that no amendment shall: (i) alter any obligation to pay ad valorem taxes or assessments, as provided herein; (ii) alter the Declarant's right to annex property as stated in Article VIII, Section 4; (iii) alter the minimum square footage as stated in Article V, Section 3; or (iv) affect any lien for the payment thereof established herein. Any amendment is to be properly recorded in the Forsyth County Register of Deeds Office.

Section 4. Annexation. The Declarant may annex additional contiguous residential property and Common Areas without approval of the Association so long as Declarant owns a lot within the Properties.

Additional properties as annexed shall become a part of the Properties as defined herein and shall be subject to the provisions of this Declaration, the Bylaws and the Articles of Incorporation of the Association.

Section 5. Amendment by Declarant. In the event Declarant shall seek to obtain approval of this Declaration, the Bylaws, Rules and Regulations and/or the Articles of Incorporation and the development plan, as the same may be changed or supplemented, in order that Lots will be eligible for loan approval, guarantee or insured by Veterans Administration ("VA"), the Department of Housing and Urban Development ("HUD"), the Federal Housing Loan Association ("FNLA"), the Federal National Mortgage Association ("FNMA"), or other governmental or lending or insuring agency, it is possible that such agency or agencies will require change in this Declaration and other documents in order to make the Lots and units eligible for such loans. In such event, Declarant, in its sole discretion, without the consent or approval of any other Owner (Member), shall have the right to amend the Articles of Incorporation, Bylaws, this Declaration and/or Supplemental Declarations, and other documentation and the amendment shall become effective upon recordation of the amendment, along with attached evidence of approval by the appropriate governmental, insuring or lending agency, in the office of the Register of Deeds of Forsyth County, North Carolina. A letter from an official or a current published regulation, guideline or statement of policy, of the VA, HUD, FMLMC, FNMA, or such other agencies' requirements of changes shall be sufficient evidence for Declarant to amend. Each Owner (Member) and his respective mortgagees, by acceptance of a deed conveying a Lot or a mortgage including the same, as the case may be, hereby irrevocably appoint Declarant, his or their attorney-in-fact, such power of attorney being coupled with an interest, and authorize, direct and empower Declarant, in the event that Declarant exercises the rights reserved herein to amend this Declaration and any Supplemental Declaration and other documentation as herein provided, to execute, acknowledge and record for and in the name of such respective mortgagee to execute a consent and joinder of such amendment or amendments. This right of amendment shall exist and continue until Declarant disposes of all lots and may not be amended without the written consent of the Declarant, its successors or specific assigns to whom such right is assigned.

Section 6. Membership Approval. At any place where it is required that a certain percentage of Members approve the adoption of an amendment, an approval or consent of any other matter, such percentage requirement may be obtained after any required meeting, provided the

motion for approval was not defeated, by obtaining the signatures of Members sufficient to meet the required percentage.

Section 7. Modification by Declarant. Declarant reserves and retains the absolute right, as long as it is a Class B member as defined herein, to delete, waive, amend, modify, change or expand the terms and conditions hereof and any documents associated herewith after which date this right shall terminate; however, other rights of Declarant reserved herein shall remain. Such documents will be recorded in the Office of Register of Deeds of Forsyth County, North Carolina, within sixty (60) days from the date of the recording of this Declaration. All purchasers of Lots, their heirs, successors and assigns shall be bound by the subsequent recordings, if any.

ARTICLE IX

RIGHTS OF FIRST MORTGAGEES

Section 1. Notification of Default by Mortgagor. Any first mortgagee of any Lot shall be entitled, upon written request to the Association, to written notification by the Association of any default by the Owner-mortgagor of such Lot in the performance of such Owner-mortgagor's obligations under this Declaration when such default is not cured within thirty (30) days from its occurrence.
